A taste to enjoy!

Makprogres is a corporation operating in different sectors with core business in food industry. We are successful, modern and customer-oriented company with strong social responsibility. In order to contribute in social development, the company has active cooperation with the local community to enable better life for all.

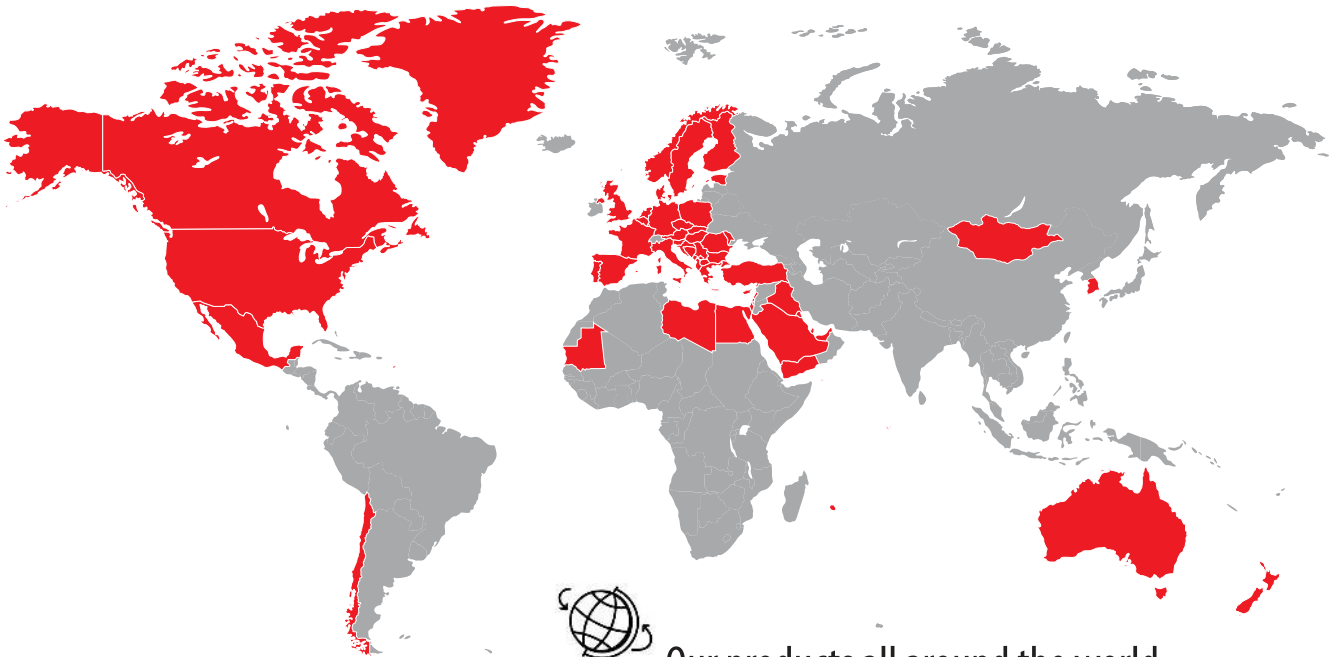

Vincinni is the main popular brand of Makprogres Family specialized for sweet snacks, cakes, cookies for everyday usage appreciated by all the components of a contemporary family. Its main advantages are delicious taste and a large assortment of happy, friendly and simple everyday sweet snacks.

Vincinni products are internationally recognized as high quality products with modern packaging and prices affordable to anyone. The complete production is in compliance with IFS, HACCP, HALAL and with ISO9001:2008 QMS. All raw materials and final products are controlled on regular basis in authorized quality control laboratories.

Vincinni is a honest, contemporary brand. People love Vincinni because they are always there when they need sweet treats. When bored, when tired from work, outside, at home or at work. It is a brand that cheers you up and brings a smile to your face.

Vincinni – A taste to enjoy!

Our products all around the world

We exist 3 decades	We export worldwide	We produce 14.000 tons per year	We are certified with HACCP, HALAL, ISO 9001:2009, UTZ, IFS, RSPO and RAINFOREST
We are constantly investing and expanding the range of products to satisfy the different needs of our customers	We export 80% of production	We are proud of our employees	We have high quality for acceptable price

FUNNY FACTS

DID YOU KNOW

Unrolling now...

In Vincinni factories ARE produced **2300 tons Swiss roll per year**, So, if the Swiss rolls are lined up it will cover the distance from Vinica to Paris.

DID YOU KNOW

The annual production of Vincinni cakes is **2150 tons**, so, if the cakes are lined up it will make a road of **6300 km**, which is half the diameter of the globe.

DID YOU KNOW

40 pieces of Tortina are produced in **5 seconds**, which is the average time for 1 person to blink only once.

TORTINA X40!

DID YOU KNOW

Eating sweets release the endorphins hormone which makes us feel good and happy.

DID YOU KNOW

Our muffins and brownies were produced by Vincinni for the first time in the Balkans.

Me too!

I'm first!

DID YOU KNOW

9 out of 10 people love chocolate. But the last is lying. So, as long as there is chocolate, there will be happiness.
